Item 1.01. Entry into a Material Definitive Agreement

On July 15, 2020, Industrial Property Operating Partnership LP (the “Operating Partnership”), a Delaware limited partnership and the operating partnership of Industrial Property Trust, a Maryland real estate investment trust (the “Company”), entered into an Interest Purchase Agreement (the “Interest Purchase Agreement”) with BCI IV Portfolio Real Estate Holdco LLC (“BCI IV Holdco”), a Delaware limited liability company and an indirect subsidiary of Black Creek Industrial REIT IV Inc., a Maryland corporation (“BCI IV”). In accordance with the terms of the Interest Purchase Agreement, on July 15, 2020, the Operating Partnership sold to BCI IV Holdco all of the Operating Partnership’s ownership interests in IPT Real Estate Holdco LLC, a Delaware limited liability company and wholly owned subsidiary of the Operating Partnership (“IPT Holdco”), for an amount in cash equal to \$301 million (such transaction, the “Interest Sale”). Through the Interest Sale, the Company disposed of all of the Company’s assets other than cash, which consisted of the Company’s indirect general partnership and limited partnership interests in Build-To-Core Industrial Partnership I LP and Build-To-Core Industrial Partnership II LP.

The external advisor of BCI IV is an affiliate of the Company’s external advisor, IPT Advisor LLC (the “Advisor”). The Company and BCI IV also have certain common officers. Certain officers of the Company and certain trustees of the Company’s Board of Trustees (the “Company Board”) are also stockholders of BCI IV. The Company and BCI IV are also sponsored by affiliates of Black Creek Group, and such sponsors hold partnership units in the operating partnerships of the Company and BCI IV, respectively. In addition, certain trustees of the Company are also members of the BCI IV Board of Directors. The Company Board and the Board of Directors of BCI IV each established a special committee of independent trustees or directors, as applicable, to review and approve the Interest Purchase Agreement and the transactions contemplated thereby, including the Interest Sale. The members of the Company special committee did not overlap with members of the BCI IV special committee, and none of the members of the BCI IV special committee are trustees of the Company. Each of the special committees engaged legal counsel and an independent financial advisor to assist the special committees in their evaluation and negotiation of the transactions contemplated by the Interest Purchase Agreement. CBRE Capital Advisors, Inc., the independent financial advisor to the Company special committee, delivered a fairness opinion to the Company special committee. Duff & Phelps, the independent financial advisor to the BCI IV special committee, delivered a fairness opinion to the BCI IV special committee. The Interest Purchase Agreement and the transactions contemplated thereby, including the Interest Sale, were approved by the special committees of each of the Company and BCI IV, including at least one disinterested trustee or director, as applicable.

A copy of the Interest Purchase Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Interest Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Interest Purchase Agreement. The Interest Purchase Agreement has been attached to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about BCI IV Holdco or the Operating Partnership. In particular, the assertions embodied in the representations and warranties in the Interest Purchase Agreement were made as of a specified date, in the case of the Operating Partnership, are modified or qualified by information in a confidential disclosure letter provided by the Operating Partnership to BCI IV Holdco in connection with the signing of the Interest Purchase Agreement, may be subject to a contractual standard of materiality different from what might be viewed as material to shareholders, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Interest Purchase Agreement are not necessarily characterizations of the actual state of facts about BCI IV Holdco or the Operating Partnership at the time they were made or otherwise and should only be read in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the U.S. Securities and Exchange Commission.

Item 2.01. Completion of Acquisition or Disposition of Assets

The description of the Interest Sale under Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein.

Item 7.01. Regulation FD Disclosure

On July 21, 2020, the Company distributed a letter to its shareholders concerning the Interest Sale. A copy of the shareholder letter distributed by the Company is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In addition, on July 21, 2020, the Company distributed a letter to financial advisors with clients that are shareholders of the Company concerning the Interest Sale. A copy of the letter distributed to financial advisors by the Company is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

The information furnished under this Item 7.01 of this Current Report on Form 8-K, including Exhibits 99.1 and 99.2 shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.

Item 8.01. Other Events

Termination of Company Plans

In connection with the approval of the Interest Sale, on July 21, 2020, the Company announced that the Company Board, including all of the Company's independent trustees, had voted to terminate, effective as of July 15, 2020, each of the Company's Third Amended and Restated Share Redemption Program, effective as of January 8, 2020 ("SRP"), the Industrial Property Trust Inc. Equity Incentive Plan, effective July 16, 2013, and the Industrial Property Trust Inc. Private Placement Equity Incentive Plan, effective February 26, 2015.

As a result of the termination of the SRP, the Company will not process or accept any requests for redemption received after July 15, 2020.

Excess Amount

Pursuant to the terms of the Amended and Restated Advisory Agreement (2020), dated as of June 12, 2020, by and among the Company, the Operating Partnership and the Advisor, the Advisor is entitled to a disposition fee of approximately \$11 million in connection with the Interest Sale. A portion of this fee would qualify as an "Excess Amount" (as defined in the Company's Declaration of Trust). At a meeting of the Company Board on July 15, 2020, the Company Board, including a majority of its independent trustees, considered the unusual and non-recurring nature of the Interest Purchase Agreement and the Interest Sale and determined that the payment of such "Excess Amount" was justified based on such unusual and non-recurring factors (which factors were deemed sufficient).

(a) The IPT Holdco Subsidiaries own good and valid fee simple title or leasehold title (as applicable) to the Company Properties, in each case, free and clear of Liens, except for Company Permitted Liens. Section 3.14(a) of the Company Disclosure Letter sets forth a true, complete and correct list of the address of each Company Property.

(b) The IPT Holdco Subsidiaries have in effect all Property Permits or agreements, easements or other rights that are necessary to permit the current use and operation of the buildings and improvements on any of the Company Properties, except for such failures to have in effect that, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect. No IPT Holdco Subsidiary has received (i) written notice that any Property Permit or any agreement, easement or other right that is necessary to permit the current use and operation of the buildings and improvements on any of the Company Properties is not in full force and effect as of the date hereof (or of any pending written threat of modification or cancellation of any of same), except for such failures to be in full force and effect that, individually, or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, or (ii) written notice of any uncured violation of any Laws affecting any of the Company Properties that, individually or in the aggregate, would reasonably be expected to have a Company Material Adverse Effect.

(c) Except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, no condemnation, eminent domain or similar proceeding is pending with respect to any owned Company Property, and no IPT Holdco Subsidiary has received any written notice to the effect that (i) any condemnation or rezoning proceedings are threatened with respect to any of Company Properties or (ii) any zoning regulation or ordinance (including with respect to parking), Board of Fire Underwriters rules, building, fire, health or other Law has been violated (and remains in violation) for any Company Property.

(d) Except as set forth in the Rent Roll or as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, (x) no IPT Holdco Subsidiary has given or received written notice of any breach or violation of, or default under, any Material Company Lease, which breach, violation or default remains outstanding and uncured; (y) no tenant under a Material Company Lease is in monetary default under such Material Company Lease, which default remains outstanding and uncured; and (z) each Material Company Lease is valid, binding and enforceable in accordance with its terms and is in full force and effect with respect to the applicable IPT Holdco Subsidiary and, to the Knowledge of Company OP, with respect to the other parties thereto, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at Law). True and complete (in all material respects) copies of all Material Company Leases have been made available to BCI IV Holdco. Except for discrepancies, errors or omissions that, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, the information set forth under the headings "Tenant," "Currently Monthly Rent," "Lease From," "Lease To," "Lease Area," and "Rent Increase" in the rent rolls for each of the Company Properties, as of June 30, 2020, which rent rolls have previously been made available to BCI IV Holdco (including an indication of whether any Company Property is subject to net leases), are true and correct (the "Rent Roll").

(e) Except for Company Permitted Liens or as set forth in the Company Leases, Company Title Insurance Policies (and all documents referenced therein) or the organizational documents of the IPT Holdco Subsidiaries, or as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, (i) there are no unexpired option to purchase agreements, rights of first refusal or first offer or any other rights to purchase or otherwise acquire any Company Property or any portion thereof that would materially adversely affect any IPT Holdco Subsidiary's, ownership, ground lease or other interest, or right to use, a Company Property subject to a Material Company Lease, and (ii) there are no other outstanding rights or agreements to enter into any contract for sale, ground lease or letter of intent to sell or ground lease any Company Property or any portion thereof that is owned by any IPT Holdco Subsidiary, which, in each case, is in favor of any party other than any IPT Holdco Subsidiary (a "Company Third Party").

(f) Except pursuant to a Company Lease, or any ground lease affecting any Company Property, no IPT Holdco Subsidiary is a party to any agreement pursuant to which any IPT Holdco Subsidiary manages or manages the development of any real property for any Company Third Party.

(g) For each Company Property, policies of (i) title insurance have been issued insuring, as of the effective date of each such insurance policy, fee simple title interest held by the applicable IPT Holdco Subsidiary with respect to the Company Properties that are not subject to the ground leases, and (ii) leasehold insurance have been issued insuring, as of the effective date of each such insurance policy, the leasehold interest that the applicable IPT Holdco Subsidiary holds with respect to each Company Property that is subject to a ground lease (each, a "Company Title Insurance Policy" and, collectively, the "Company Title Insurance Policies"). Except as, individually or in the aggregate, would not be reasonably expected to have a Company Material Adverse Effect, no written claim has been made against any Company Title Insurance Policy.

(h) The IPT Holdco Subsidiaries have good and valid title to, or a valid and enforceable leasehold interest in, or other right to use, all personal property owned, used or held for use by it as of the date hereof (other than property owned by tenants and used or held in connection with the applicable tenancy), except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect. None of the IPT Holdco Subsidiaries' ownership of or leasehold interest in any such personal property is subject to any Liens, except for Company Permitted Liens and Liens that would not reasonably be expected to have a Company Material Adverse Effect.

(i) No IPT Holdco Subsidiary (i) has received written notice of any structural defects relating to any Company Property that would have, or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, or (ii) has received written notice of any physical damage to any Company Property that would have, or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect for which there is not insurance in effect covering the cost of the restoration and the loss of revenue, subject to reasonable deductibles and retention limits.

Section 3.15 Material Contracts. Except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, each Company Material Contract is legal, valid, binding and enforceable against the applicable IPT Holdco Subsidiary and, to the Knowledge of Company OP, each other party thereto, and is in full force and effect, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at Law). Each IPT Holdco Subsidiary has performed all obligations required to be performed by it under each Company Material Contract and, to the Knowledge of Company OP, each other party thereto has performed all obligations required to be performed by it under such Company Material Contract, in each case, except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect. No IPT Holdco Subsidiary nor, to the Knowledge of Company OP, any other party thereto, is in breach or violation of, or default under, any Company Material Contract, and no event has occurred that, with notice or lapse of time or both, would constitute a violation, breach or default under any Company Material Contract, except where in each case such violation, breach or default is not reasonably likely to have, individually or in the aggregate, a Company Material Adverse Effect. Except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, as of the date hereof, no IPT Holdco Subsidiary has received written notice of any material violation or material default under any Company Material Contract. Section 3.15 of the Company Disclosure Letter sets forth a true, complete and correct list of all outstanding Indebtedness of IPT Holdco Subsidiaries as of the date set forth therein, other than Indebtedness payable to another IPT Holdco Subsidiary.

Section 3.16 Insurance. The IPT Holdco Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks which the IPT Holdco Subsidiaries believe are adequate for the operation of their respective businesses and the protection of their respective assets. As of the date hereof, and except as, individually or in the aggregate, would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, there is no claim by any IPT Holdco Subsidiary pending under any such insurance policies that has been denied or disputed by the insurer. Except as, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, all premiums due and payable under all Company Insurance Policies have been paid, and each IPT Holdco Subsidiary has otherwise complied in all material respects with the terms and conditions of its respective Company Insurance Policies. Except as individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect, to the Knowledge of Company OP, such Company Insurance Policies are valid and enforceable in accordance with their terms and are in full force and effect. No written notice of cancellation or termination has been received by any IPT Holdco Subsidiary with respect to any such policy that has not been replaced on substantially similar terms prior to the date of such cancellation.

Section 3.17 Brokers. Except for the fees and expenses payable to the Persons set forth in Section 3.17 of the Company Disclosure Letter, no broker, investment banker or other Person is entitled to any broker's, finder's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of the Company, Company OP or any IPT Holdco Subsidiary.

Section 3.18 Related-Party Transactions. Except for or pursuant to this Agreement or as set forth in the Company SEC Documents, from January 1, 2020 through the date of this Agreement there have been no transactions, agreements, arrangements or understandings between an IPT Holdco Subsidiary, on the one hand, and any Affiliates (other than other IPT Holdco Subsidiaries) thereof, on the other hand, that would be required to be disclosed by the Company under Item 404 of Regulation S-K promulgated by the SEC.

Section 3.19 Investment Company Act. No IPT Holdco Subsidiary is required to be registered as an investment company under the Investment Company Act.

Section 3.20 No Other Representations and Warranties. Except for the representations or warranties expressly set forth in this Article 3, neither Company OP nor any other Person has made any representation or warranty, expressed or implied, with respect to Company OP or the IPT Holdco Subsidiaries, their businesses, operations, assets, liabilities, condition (financial or otherwise), results of operations, future operating or financial results, estimates, projections, forecasts, plans or prospects (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, plans or prospects) or the accuracy or completeness of any information regarding Company OP or the IPT Holdco Subsidiaries. In particular, without limiting the foregoing disclaimer, except for the representations and warranties made by Company in this Article 3, neither Company nor any other Person makes or has made any representation or warranty to BCI IV Holdco or any of its Affiliates or Representatives with respect to, any oral or written information presented to BCI IV Holdco or any of its Affiliates or Representatives in the course of their due diligence of Company OP or the IPT Holdco Subsidiaries, the negotiation of this Agreement or in the course of the transactions contemplated hereby.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF BCI IV HOLDCO

BCI IV Holdco hereby represents and warrants to Company OP that:

Section 4.1 Organization and Qualification. BCI IV Holdco is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware. BCI IV Holdco has the requisite organizational power and authority to own, lease, hold, encumber and operate its properties and to carry on its business as it is now being conducted and is duly qualified or licensed to do business, and is in good standing, in each jurisdiction where the character of the properties owned, operated or leased by it or the nature of its business makes such qualification, licensing or good standing necessary, except for such failures to be so qualified, licensed or in good standing that, individually or in the aggregate, would not reasonably be expected to have a BCI IV Material Adverse Effect.

Section 4.2 Authority.

(a) BCI IV Holdco has the requisite limited liability company power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated by this Agreement to which BCI IV Holdco is a party, including the Interest Sale. The execution and delivery and performance by BCI IV Holdco of this Agreement and the consummation by BCI IV Holdco of the transactions contemplated by this Agreement have been duly and validly authorized by all necessary action on behalf of BCI IV Holdco, and no other proceedings on the part of BCI IV Holdco are necessary to authorize this Agreement or the Interest Sale or to consummate the other transactions contemplated by this Agreement. This Agreement has been duly authorized, executed and delivered by BCI IV Holdco and assuming due authorization, execution and delivery by Company OP, constitutes a legally valid and binding obligation of BCI IV Holdco, enforceable against BCI IV Holdco in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

(b) The BCI IV Board, following the unanimous approval and recommendation of the BCI IV Special Committee, has (i) determined that (a) this Agreement, the Interest Sale and the other transactions contemplated by this Agreement are advisable and in the best interests of BCI IV and are fair and reasonable to BCI IV, (b) there is substantial justification for the amount by which the Purchase Price exceeds the amount that Company OP invested in IPT Holdco and that the Purchase Price is reasonable, and (c) the joint venture terms of Build-To-Core Industrial Partnership I LP and Build-To-Core Industrial Partnership II LP are fair and reasonable to BCI IV and on terms and conditions that are no less favorable than those that would be available to unaffiliated parties, and (ii) approved this Agreement, the Interest Sale and the other transactions contemplated by this Agreement and authorized BCI IV, in its capacity as the sole general partner of BCI IV OP, on behalf of BCI IV OP, in its capacity as the sole member of BCI IV Holdco, on behalf of BCI IV Holdco, to execute, deliver and perform the Purchase Agreement, which resolutions remain in full force and effect and have not been subsequently rescinded, modified or withdrawn in any way.

Section 4.3 No Conflict; Required Filings and Consents.

(a) Assuming that all consents, approvals, authorizations and permits described in Section 4.3(b) have been obtained, all filings and notifications described in Section 4.3(b) have been made and any waiting periods thereunder have terminated or expired, the execution and delivery of this Agreement by BCI IV Holdco does not, and the performance of this Agreement and its obligations hereunder will not, (i) conflict with or violate any provision of any organizational or governing document of BCI IV Holdco, or (ii) conflict with or violate any Law applicable to BCI IV Holdco or by which any property or asset of BCI IV Holdco is bound, except, as to this clause (ii), for any such conflicts or violations that, individually or in the aggregate, would not reasonably be expected to have a BCI IV Material Adverse Effect.

(b) The execution and delivery of this Agreement by BCI IV Holdco does not, and the performance of this Agreement by BCI IV Holdco will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Authority, except (i) the filing with the SEC of such reports under, and other compliance with, the Exchange Act and the Securities Act as may be required in connection with this Agreement and the transactions contemplated hereby, (ii) such filings as may be required in connection with state and local Transfer Taxes, and (iii) where failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, individually or in the aggregate, would not reasonably be expected to have a BCI IV Material Adverse Effect.

Section 4.4 Investment Representation. BCI IV Holdco is acquiring the IPT Holdco Interests for its own account for purposes of investment and not with a view to the distribution of its interests therein or dividing all or any part of its interest therein with any other Person. BCI IV Holdco acknowledges that the sale of the IPT Holdco Interests has not been registered under Law (including the Securities Act and any state, local or foreign securities laws) and that the IPT Holdco Interests may not be transferred without registration under, pursuant to an exemption from or in a transaction not subject to, Law.

Section 4.5 Taxes.

(a) BCI IV Holdco's indirect ownership of the BTC REITs will not cause a material amount received or accrued by any BTC REIT during such BTC REIT's taxable year that includes the Closing Date to fail to be treated as "rents from real property" within the meaning of Section 856(d) of the Code by reason of Section 856(d)(2)(B) of the Code to the extent that it would cause such BTC REIT to fail to meet the requirements of Sections 856(c)(2) or 856(c)(3) of the Code for such year.

(b) BCI IV Holdco's indirect ownership of the BTC REITs will not cause any BTC REIT to be "closely held" as determined under Section 856(h) of the Code at any time during such BTC REIT's taxable year that includes the Closing Date.

ARTICLE 5
GENERAL PROVISIONS

Section 5.1 Nonsurvival of Representations, Warranties, Covenants and Agreements. None of the representations, warranties, covenants or agreements made by Company OP in this Agreement or in any instrument delivered by Company OP pursuant to this Agreement (including the Company Disclosure Letter), including any rights arising out of any breach of such representations, warranties, covenants or agreements, shall survive the Closing, and from and after the Closing, BCI IV Holdco shall have no recourse against, and hereby fully releases, Company OP and its Affiliates and their respective shareholders, members, partners, directors, trustees, officers, sponsors, advisors, managers, agents or other representatives (other than with respect to any actual and intentional fraud with respect to the making of any representation or warranty set forth in Article 3).

For the avoidance of doubt, counsel for a Party may send notices, requests, claims, consents demands or other communications on behalf of such Party.

Section 5.4 Severability. If any term or other provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced under any present or future Law or public policy in any jurisdiction, as to that jurisdiction, (a) such term or other provision shall be fully separable, (b) this Agreement shall be construed and enforced as if such invalid, illegal or unenforceable provision had never comprised a part hereof, (c) all other conditions and provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable term or other provision or by its severance herefrom so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any Party, and (d) such terms or other provision shall not affect the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced in any jurisdiction, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

Section 5.5 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall be deemed one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties. Signatures to this Agreement transmitted by electronic mail in .pdf format, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.

Section 5.6 Entire Agreement; No Third-Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the Parties, or between any of them, with respect to the subject matter of this Agreement. This Agreement is not intended to and shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns, except for the provisions of Section 2.7 (which, from and after the Closing Date, shall be for the benefit of, and may be enforced by, IPT Liquidator LLC). The representations and warranties in this Agreement are the product of negotiations between the Parties and are for the sole benefit of the Parties. The representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Accordingly, persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 5.7 Amendment. Subject to compliance with applicable Law, this Agreement may be amended by mutual agreement of the Parties hereto by action taken or authorized by the Company Board (with the prior approval and recommendation of the Company Special Committee) and the BCI IV Board (with the prior approval and recommendation of the BCI IV Special Committee), respectively. This Agreement may not be amended except by an instrument in writing signed by each of the Parties.

Section 5.8 Governing Law. This Agreement, and all Actions (whether at Law, in contract or in tort) that may be based upon, arise out of or related to this Agreement or the negotiation, execution or performance of this Agreement, shall be governed by, and construed in accordance with, the laws of the State of Maryland without giving effect to any choice or conflicts of Law principles (whether of the State of Maryland or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Maryland.

Section 5.9 Consent to Jurisdiction. Each Party irrevocably agrees and consents (a) to submit itself to the exclusive jurisdiction of the Circuit Court for Baltimore City (Maryland), and to request assignment to the Business and Technology Case Management Program (the "Maryland Court") for the purpose of any Action (whether based on contract, tort or otherwise), directly or indirectly, arising out of or relating to this Agreement or the transactions contemplated by this Agreement or the actions of the Parties in the negotiation, administration, performance and enforcement of this Agreement, (b) that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from any such court, (c) that it waives any objection to the laying of venue of any Action in the Maryland Court and agrees not to plead or claim in the Maryland Court that such litigation brought therein has been brought in any inconvenient forum, (d) that it will not bring any Action relating to this Agreement or the transactions contemplated by this Agreement or the actions of the parties hereto in the negotiation, administration, performance and enforcement of this Agreement in any court other than the Maryland Court, and (e) that a final judgment in any Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each Party hereby irrevocably and unconditionally agrees to request and/or consent to the assignment of any Action to the Maryland Court's Business and Technology Case Management Program. Nothing in this Agreement shall limit or affect the rights of any Party to pursue appeals from any judgments or order of the Maryland Court as provided by Law. Each Party agrees, (x) to the extent such Party is not otherwise subject to service of process in the State of Maryland, to appoint and maintain an agent in the State of Maryland as such Party's agent for acceptance of legal process, and (y) that service of process may also be made on such Party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service. Service made pursuant to clauses (x) or (y) above shall have the same legal force and effect as if served upon such Party personally within the State of Maryland.

Section 5.10 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned or delegated, in whole or in part, by operation of Law or otherwise by any of the Parties without the prior written consent of the other Parties, and any attempt to make any such assignment without such consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 5.11 Remedies. Except as otherwise provided in this Agreement, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

Section 5.12 Waiver of Jury Trial. EACH PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 6.11.

Section 5.13 Authorship. The Parties agree that the terms and language of this Agreement are the result of negotiations among the Parties and their respective advisors and, as a result, there shall be no presumption that any ambiguities in this Agreement shall be resolved against any Party. Any controversy over construction of this Agreement shall be decided without regard to events of authorship or negotiation.

Dear Shareholder:

We are pleased to inform you that Industrial Property Trust (IPT) has completed the final sale of its remaining investments to Black Creek Industrial REIT IV Inc. and will be making a final liquidating distribution to shareholders. This is the last step in the full cycle of the portfolio and this will be the final transaction investors will have with IPT.

In connection with the sale, IPT expects to make a final liquidating distribution to stockholders of approximately \$1.18 per share by the end of July 2020. This will result in total liquidating distributions, all paid in 2020 to approximately \$13.72 per share (before any reduction for applicable distributions fees). The amount and timing of such distribution is subject to the approval of IPT's board of trustees. In addition, IPT will undertake a dissolution process and wind-up its operations by filing articles of dissolution in the State of Maryland to terminate its existence. Investors will no longer hold shares in IPT and the fund will cease operations. For more information you can visit our website at www.blackcreekgroup.com/ipt/. As applicable, final tax documents for the tax year 2020 will be sent to shareholders on or around January 31, 2021.

Your financial advisor is available to help you with decisions about the proceeds of the final liquidating distribution. Please call them to discuss what makes sense for your financial situation.

With this final sale, we believe that IPT achieved its investment objectives of providing consistent current income and value creation through active asset management of its portfolio, culminating in a successful final distribution for its shareholders. We thank you for your partnership and trust in us with your assets, and we hope to continue working with you in the future.

Sincerely,

Advisor (IPT sellers) letter

Subject: Industrial Property Trust Final Liquidating Distribution

We are pleased to inform you that Industrial Property Trust (IPT) has completed the sale of its remaining investments to Black Creek Industrial REIT IV Inc. and expects to make a final liquidating distribution to shareholders by the end of next week. As the last step in the full cycle of the portfolio, this will mark the end of the IPT program.

In connection with the sale, IPT expects to make a final liquidating distribution to shareholders of approximately \$1.18 per share. This will result in total liquidating distributions, all paid in 2020, of approximately \$13.72 per share (before any reduction for applicable distribution fees). The exact amount and timing of the liquidating distribution remains subject to the approval of IPT's board of trustees.

Due to the affiliated nature of this transaction, please know that each of IPT and BCI IV created a special committee comprised entirely of independent directors, whose members did not overlap. These special committees were responsible for the oversight, evaluation and negotiation of the proposed transaction, including the price, between the two parties. The special committees each engaged their own outside legal counsel and their own independent financial advisors that delivered fairness opinions.

IPT's NAV was reported in January at \$1.25 per share, reflecting the estimated values of its assets and liabilities as they existed (following the sale of its wholly owned portfolio to Prologis and) prior to the onset of the COVID-19 pandemic. While not immune from the economic effects of COVID-19 including potentially longer lease-up and stabilization time frames, thankfully the industrial property sector has remained relatively resilient through the past several months, particularly for the types of high-quality assets owned and under development by the BTC Partnerships in which IPT owned an interest.

The \$1.18 per share liquidating distribution amount results primarily from the final sale price for the BTC Partnership Interests of \$301 million, which amount as noted above was determined to be fair by the special committee of the Company's trustees and their independent financial advisor based on current market conditions.

In addition, IPT expects to wind-up its operations and terminate its existence by filing articles of dissolution in the State of Maryland. As a result, investors would no longer hold shares in IPT and the Company would cease all operations. As applicable, final tax documents for the tax year 2020 will be sent to shareholders on or around January 31, 2021.

To help you facilitate client communications, we have an interactive online calculator that you can access [here](#). This online calculator will provide estimates for returns and overall performance that you can customize with client information and will be updated to include cost basis estimates by the end of the quarter. In addition, we have included a link to a shareholder letter below if you would like to use this to discuss the event with your clients.

Next Steps:

The final liquidating distribution payment, which as noted above is expected to be equal to approximately \$1.18 per share, will be sent in accordance with the instructions on file. If you have automatic sweeping of distributions from your brokerage/custodial account to an investor's personal bank account, it is possible the final distribution will also sweep in the same manner. Please consult your home office or custodian to update, if applicable.
